Autoneum image film receives multiple awards

The image film “Autoneum. Mastering sound and heat.” was presented with multiple awards at this year's “Corporate Media – The European Masterclass” media contest: As well as the “Master of Excellence” award it also won prizes for the “Best Direction” and “Best Music”.

Autoneum's first corporate film has not only been singled out for the “Master of Excellence” award in the “Corporate Media – The European Masterclass 2015” media contest, but also received prizes in the categories "Best Direction" and "Best Music". The film produced by Tempomedia under the direction of Dr. Boris Penth was recorded at various global locations of Autoneum and portrays the company's innovation leadership in acoustic and thermal management solutions for vehicles in a creative manner. The film music, which received a maximum number of points, was composed by the renowned violinist and composer Claude Chalhoub who is known internationally as the former concertmaster of the West-Eastern Divan Orchestra founded by Daniel Barenboim.

The “Corporate Media – The European Masterclass” media contest is held annually and awards prizes for the audiovisual realization of corporate productions. The award ceremony took place on December 12, 2015 in Bad Boll near Stuttgart (Germany).
